

# Life Member Association

## Words From President Sean...

You may have seen some of this already on the LMA Facebook page but I think it is worth repeating... My theme for this year is "We are Family". I truly believe the Life Member Association is one big family. As such, we would love to see all family members.

The theme of "We are Family" was no more evident than at our recent Chincoteague outing. A small group of LMA members ventured once again to peaceful Chincoteague. We visited a local Coast Guard Station where we learned about their mission and how they help with the annual pony run. They gave us a tour of one of their boats and offered to take us out for a ride but we declined as it was raining. A good time was had by all who went on the Coast Guard tour.

Saturday night we had a great meal at Bill's Prime Seafood and Steaks. Laura, the Squirt and I went over to Island Creamery after dinner. I must say it was some of the best ice cream I have had in a long time. Later at the hotel we all hung out, talked, and played a few games. It was a relaxing weekend, I got my seafood fix, and everyone got to spend some quality time with Jaycee family. If you can make it next year you really should come. Chincoteague is a wonderful place to forget about life and relax.

If you couldn't make Chincoteague we hope you can join us Nov. 2-4 in Farmville for the Virginia Jaycees Fall Board Meeting. The meeting is being put on by the Farmville Jaycees. The LMA will have a hospitality suite as always. Our Hospitality Goddess Lee Wolf with help from some other fine folks will be serving up tasty treats. Come on down and see your Jaycee Family. In addition to our hospitality suite, we are hoping to hold a silent auction to help benefit the Virginia Jaycees Membership program/events.

## Words From President Sean *(continued from page 1)*...

---

You can donate an item, gift basket, bottle of something or whatever you can come up with! This project was hugely successful a couple of years ago and we want to top that! If you can donate, please let Joyce Cooke know. She could really use some more items to auction off.

One old event that I would like to bring back is the Regional lunch/dinner. When we ran these in the past and they were quite popular. The lunch/dinners also allow folks who can't always make some of the other events to see their LMA family.

Right now we are looking at weekends that may be good for hosting these around the state. We would like to have them all on the same day. That way folks may be able to make both a lunch and a dinner. If you have an idea on a date that might work or would be willing to plan a lunch/dinner in your area, please let me know. I really like this event and want to see it succeed.

Some new ideas for events that we are exploring are a brewery or ghost tour. For the brewery tour there are many areas in Virginia that are prime for visiting and sampling a variety of beers or ciders. I have talked to someone about being our guide and if they are willing to do it I will let them choose where it is held. As for when to hold this event, I was hoping that this event could be held early in the new year. However, I would discuss with the potential Brewery Tour Guide to see what dates they think would be best. If we go ahead with a brewery tour more details will be released as we have them.

As for a ghost tour if you know of a good place or would like to organize one let me know. There are ghost tours in many areas around the state all year long and it would be cool to check one out

My main goal is to get people out and for the family to be able to see each other more often. I am open to other ideas as well. So if you have an idea for a great event let me know. Just understand I may ask you to organize it. In the end, I just want us all to have fun and enjoy seeing their LMA family.

## Joyce Cooke, Membership Vice President

Hello LMA Family! I am honored to be your Membership VP this year!

We'd like to have more family events and activities this year but we'll need your help. That means volunteer pretty please! Chair or Co-Chair an event in your town. Do you have a great selection of wineries, a historic or haunted tour, a fabulous museum, or a restaurant that serves world famous burgers? Think about what makes your part of the state special and get us together to celebrate it! Contact me if this sounds like something you'd be willing to handle or give me any other ideas you might have.

We'll be bringing back the Regional Lunches/Dinners after the first of the year. Let me know if you'd like to chair one. If scheduling permits, we could arrange to go to more than one. One year we had lunch in Staunton and dinner in Richmond!

This time of year always brings back great memories of being a Jaycee. Creating, working, and having fun in our chapter's Haunted House was one of the highlights of the year! Who knew scaring people could be so much fun! As soon as we finished that, we headed right into our fundraising for our Christmas Shopping Tour. This project was absolutely my favorite! The Jaycee Organization did so much for me personally and the skills I learned have been so valuable for me,

As you know, we'll be having a Silent Auction at the November meeting to raise funds for the Virginia Jaycees to promote membership. Right now I have 7 wonderful folks who have volunteered to provide something for the auction, and I would love to have more! Just let me know you'd like to participate! Won't you help me, help the Virginia Jaycees grow in membership? Thanking you in advance! Please contact me at

the email below.

And don't forget adding to our own Membership too! Let us know if we can help you in honoring someone in your area with a Life Membership.

I'm so excited about our November meeting in Farmville and can't wait to meet our friends in the Farmville Jaycees. I hope to see a lot of you there!

This is going to be a great year for the LMA Family!!!

Yours in Jaycees, Joyce Cooke, Membership V.P.

Happy Fall everyone! I'm looking forward to seeing everyone very soon at the meeting in November.

I won't be quite completely mobile during the weekend, so I am thanking those helping with the suite in advance, especially Laura and Maureen Murphy. I hope to be back up to full speed for the February meeting, and promise to step my game up from the November meeting. Everyone will need to watch their feet, heels, and toes, as I'll be on a knee buggy, and some of those close to me say I'm proving to be quite dangerous. I haven't seriously hurt anyone yet, though, I promise!

Here's a "taste" of what you'll see in the LMA Hospitality suite:

- Friday night and Saturday night will have a variety of snacks and hors d'oeuvres, as well as a special drink at least on Friday night.
- Saturday morning's breakfast will consist of pancakes and bacon.

- Lunch on Saturday afternoon will be spaghetti (GF noodles available and a no-meat sauce for those who require it), salad, garlic bread, and desserts.

**Lunch is \$5, and if at all possible, I'd like to know ahead of time if you plan to eat either meal, so I am sure to have enough food prepared.**

Thanks in advance for participating in the suite, and we'll see you soon!

Yours in Jaycees
